Gov. Reeves issues social distancing guidelines for college game day events

Gov. Tate Reeves at last week's press conference regarding college game day events.

SEA COAST ECHO

Gov. Tate Reeves on Thursday issued social distancing guidelines for college and university outdoor stadiums and game day events in an effort to curb the spread of COVID-19.

"I know it's a topic that we constantly get questions about," Reeves said during Thursday's press conference. "It's something that's been

polarizing around the country — some conferences have opted not to make any effort to play. Some states have not yet put out their plans. This is an effort, which we worked closely with the universities on, to set a floor. We took their joint recommendations, and with a little work we put this plan together. This is the minimum that each school is required to do this fall, to keep players and spectators safe while

allowing college football to occur."

Under Executive Order No. 1519, bowl seating is limited to no more than 25 percent of seating capacity while maintaining six feet distance between households, with limits on club areas and suites. Additional social distancing measures include:

- Everyone over the age of six must wear masks as they enter/exit and through-

out the stadium, unless they are seated. Masks are strongly encouraged while seated.

- Game day events such as tailgating and rallies outside the stadiums are prohibited.

- Individuals allowed on the sidelines are limited to those essential for the game.

Hancock Jury awards \$1.29M verdict in first trial in district since pandemic began

BY GEOFF BELCHER
GENERAL MANAGER

A Hancock County jury on Saturday awarded a \$1.29 million verdict to a man who was severely injured in a hit-and-run accident three years ago.

It was the first courtroom trial in the district — and reportedly the first civil courtroom trial in the state — since the coronavirus pandemic

began.

"That was the first jury trial we've had in our circuit court district since COVID began," Hancock Circuit Court Clerk Kendra Necaie said Monday. "In compliance with orders from the (MS) Supreme Court, we have continued circuit court throughout the pandemic. This has been done by following CDC guidelines, with social distancing, masks, temperature checks and videoconference technologies."

Circuit Judge Lisa Dodson presided over the week-long trial, which wrapped up on Saturday.

The plaintiff, Michael Brandner, Sr., was injured April 14, 2017 when the vehicle he was driving was hit by a van owned by Golconda Holdings, LLC, and driven by Trevor Lykins.

Brandner, a medical technician in a heart surgery hospital in Baton Rouge, was stopped at a red light at the intersection of Washington Street and Hwy. 90 in Bay St. Louis at around 4:15 a.m. on April 14, 2017 when the collision occurred.

Winning the Vote postponed

SEA COAST ECHO

The Hancock County Republican Women’s Club’s “Winning the Vote” celebration and parade — originally scheduled for today, Wednesday, Aug. 26, from 5-8 p.m. at the Longfellow Community Center in downtown Bay St. Louis — has been postponed.

Organizers said in a social media post that the event will hopefully be rescheduled in early September.

The event is intended to celebrate the passage of the 19th Amendment in 1920 and 100 years that women have had the right to vote.

According to the HCRWC, the day’s events will begin with a meet and greet featuring food and a cash bar, as well as an opportunity to register to vote.

Rita Wray will serve as Mistress of Ceremonies.

“Mrs. Wray’s political journey began in 1990 and has not slowed down since,” according to the HCRWC. “Two of her passions are touting GOP principles and values — personal freedom, smaller government, lower taxes, fiscal responsibility and equality of opportunity — and empowering women to settle for nothing less than the best.

Parade line-up will begin at 6:30 p.m. and the parade is set to rollout at 7 p.m. Golf carts will be allowed. The parade will finish up at the Hancock County courthouse.

You can enter a golf cart in the parade by registering at register@hcrwomensclub.com.

The cost is \$15 per golf cart. The “Most Patriotic” cart will win a prize.

All proceeds from the event will benefit a local non-profit organization dedicated to the welfare of women, Magdalene House.

Upgrading a Downtown — Diamondhead Gets It Together

BY PEGGY DUTTON
CONTRIBUTING WRITER

Fifty years ago Diamondhead, MS left its “downtown” outside its gate and beyond reach of restrictive covenants. It shows. Residents appreciate its shops, restaurants and services but regret its lack of visual appeal, and few nonresidents have reason to visit it. Knowing how important a vibrant, attractive downtown is to local economic development, the city of Diamondhead is ready to change all that.

THE NEW TOWN CENTER

An all new Town Center District is planned for the undeveloped land stretching from west of the city’s entrance to the Jourdan River. The goal is a compact, walkable, “live-work-play” portion of town where a mix of shops, offices, studios, restaurants, bistros, pubs, apartments, hotels, condos, open space and recreational activities can locate within easy reach by locals and non-locals alike. Focusing on mixed land use and pedestrian activity, the district is meant to encourage architectural diversity, creativity, flexibility, and exceptional design that reflect “the timeless building patterns of traditional downtowns,” its zoning language explains.

With \$1.5 million already granted by the state legislature from the Gulf Coast Restoration Fund, the work of connecting the district with roads to the existing shopping area and installing drainage, sidewalks, decorative lighting, and other necessary infrastructure can begin. “This makes it easier for a developer to build what he or she wants in the area,” City Manager Mike Reso said, noting that further application for a \$4.2 million grant is in the works for consideration by the legislature next spring.

THE EXISTING SHOPPING AREA

Meanwhile, the existing commercial section is primed for a pumpkin-to-carriage transformation. The design for Kalani and East Aloha Drives includes bike paths, sidewalks with arms into the commercial areas, landscaping, elevated crosswalks,

decorative lighting, striping, and turning lanes to upgrade the area’s appearance and invite safe use by walkers and bicyclists.

Bids will go out shortly for completing the existing area’s roadway, drainage, striping, and crosswalks thanks to a grant of \$150K from the Mississippi Development Authority. That phase of work is expected to begin this fall. A second application has been made to fund the sidewalks landscaping, and decorative street lighting in the entire E. Aloha, Kalani, Veterans Drive area with hopes of getting it underway in 2021.

Throw in the newly lit I-10 exit into Diamondhead and MDOT’s plan to revamp the overpass entirely for safety, efficiency and ped/bike/golf cart use, and residents, who just ranked Diamondhead’s entrance and downtown their top concerns for the city’s new comprehensive planning, are happy to know that change is on its way.

INCENTIVIZING AND RECRUITING

Making development easier for private investors is a key part of the plan. The City Council adopted the county’s tax abatement policy for the I-10 area in 2018, a graduated tax exemption lasting up to seven years for qualified business investment projects. Recently it reduced the city’s millage rate from 34 to 29.5 mills, lowering its property and car tag taxes. And early this month the council approved a Tax Increment Financing (TIF) Redevelopment Plan, authorizing it to set up TIF plans with private developers who build significant projects that include city infrastructure improvements.

NextSite, a retail recruiting firm under contract with the city, and City Manager Mike Reso are actively recruiting commercial development including hotels, restaurants, an independent seniors apartment, and more. The new city website under development by Municode will highlight community strengths, contain

MSDH reports 801 new cases of COVID-19, 67 new deaths

SEA COAST ECHO

The Mississippi State Department of Health on Tuesday reported 801 new cases of COVID-19 in the state and 67 new deaths, 23 of which occurred between July 1 and Aug. 17 and were identified from death certificates.

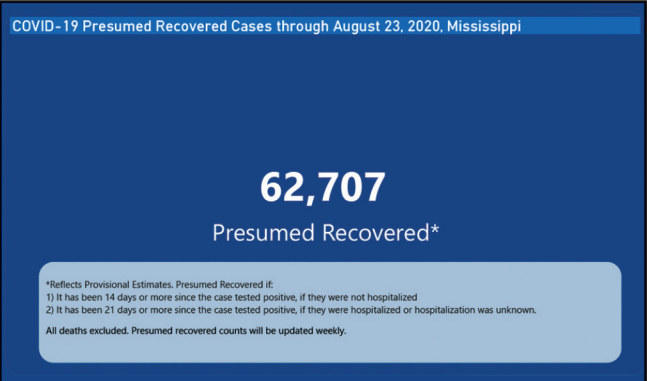

“Mississippi’s total of COVID-19 cases for the year now stands at 79,206 with 2,315 deaths,” according to the agency’s statement Tuesday afternoon.

MSDH reported 511 new cases and eight deaths on Monday; 626 new cases and three deaths on Sunday; and 945 cases and 23 deaths on Saturday.

Six new cases were reported in Hancock County on Tuesday, making total number of cases 463 with 18 COVID-19-related deaths, with eight of those cases and four of the deaths in long-term care facilities.

Harrison County reported 39 new cases and two new deaths, making the totals 3,100 cases with 48 deaths, with 149 cases and 17 deaths in long-term care facilities.

Pearl River County now has 708 cases and 465 deaths, with 66 cases and 19 deaths in long-term care.

As of Sunday, Aug. 23, MSDH considers 62,707 Mississippi residents have recovered from the virus.

As of Aug. 24, 592,149 individuals around the state had been tested for COVID-19.

“Anyone with symptoms of fever, severe cough or severe chest pains – especially those who are older or in poor health – should make arrangements for testing with their doctor or one of the many healthcare providers now performing testing,” according to MSDH. “Healthcare providers can assess your health history and symptoms, and perform testing for COVID-19 as needed. MSDH is also helping conduct free drive-up testing sites in many parts of the state. Always call ahead to the testing provider for instructions on safely being examined before you visit for your test.”

There are COVID-19 testing sites open in Hancock County.

Bay High Senior earns scholarship from local attorney Brehm Bell

SEA COAST ECHO

Bay High senior Reid Pierce was recently awarded the Brehm Bell Scholarship, given annually to a promising local graduate. The scholarship, open to both public and private high school seniors in Hancock County, was created to encourage those who are pursuing a career in the field of law. An outside committee selected Pierce from a field of applicants based on his academics, character, and written essay.

The Brehm Bell Scholarship is a \$1000 one-time award. Pierce is majoring in Public Policy at the Trent Lott Leadership Institute at the University of Mississippi in the fall.

In his submitted essay, Pierce wrote that he began public school in his freshman year and that he learned a significant lesson on the importance of empathy. He stated, “I think that empathy has been neglected in many recent

Bay High teacher Renee Hamm, who wrote a letter of recommendation, noted that Pierce is “a young man who not

only proves himself, almost daily, to be a strong academic competitor among his peers, but he also proves himself to be a strong competitor in any endeavor he undertakes.”

A practicing attorney in downtown Bay St. Louis since 1995, Bell focuses his practice on personal injury cases and helping people are overwhelmed or frustrated with the legal process.

Brandner was represented at trial by Bay St. Louis attorney Brehm Bell and Gulfport attorney David Pitre. “The driver of the van fled the scene,” Bell said. “Weeks later, through the efforts of the Bay St. Louis Police Department, the Hancock County Sheriff’s Office and the MS Department of Homeland Security, a photo lineup was prepared and the absent driver was identified. This began the long legal battle, conducting with this trial three years later. During this time, the wounded driver endured two spinal surgeries and has more medical procedures to follow in his future.” “One of the amazing things about the entire process was the extreme efforts taken by the Hancock County Circuit Court to accommodate the trial and keep everyone safe,” Bell said. Bell and Pitre said everyone in the courthouse wore masks the entire time unless they were engaged in argument from the podium or examination of witnesses. “Non-contact forehead temperature checks were conducted by security every time anyone entered the only public entrance,” Bell said, and anyone with an elevated temperature was not allowed in.” Sterile masks and hand sanitizer were provided, and testifying witnesses were presented sterile plexiglass face shields. “Every night, the courtroom was cleaned and sterilized by the courthouse staff,” Bell said. “All jurors wore personal masks and physical dis-

tancing was strictly enforced.” “I’ve never studied eyes in a trial so much in my life,” Pitre said, “as that was the only facial feature we could see.” “Kendra Necaise, Hancock County circuit clerk, and her staff are to be commended,” Bell said. “It was through their efforts and the efforts of Judge Lisa Dodson’s staff that this jury trial was able to be held. It was the general feeling of all involved that despite the challenges presented by COVID, the wheels of justice must continue.” Bell said that if the case had not gone forward this month due to the pandemic, it would have not made it back to the court docket until August 2021. “I am so thankful that our client was finally vindicated,” Pitre said. “The jurors looked past the arguments by the insurance companies, focused on the facts, and determined that our client was legitimate and so were his claims.” Bell said that as lead attorney, Pitre had to battle through more than 270 court pleadings. Bell joined the case as local counsel in the final preparations and during the trial, he said. “The insurance companies spent thousands of dollars on attorneys and experts to challenge the claims for medical bills and losses suffered due to the wrongful actions of the hit-and-run driver,” Bell said. The jury deliberated only about an hour-and-a-half on Saturday before rendering its verdict, Necaise said. Brandner was awarded \$500,000 for past, present or future physical pain and suffering, mental anguish, emotional distress and loss of enjoyment of life; \$300,000 for past medical expenses; and \$492,909 for future medical expenses.

NOTICE OF PUBLIC HEARING
ON THE PROPOSED BUDGET AND PROPOSED
TAX LEVIES FOR THE UPCOMING FISCAL YEAR
FOR THE CITY OF BAY ST. LOUIS

The City of Bay St. Louis will hold a public hearing on its proposed budget and proposed tax levies for FYE 2021 on Sept. 8, 2020 at 5:30 p.m. at the Council Chambers, 598 Main Street, Bay St. Louis, MS 39520.

The City of Bay St. Louis is now operating with projected total budget revenue of \$19,231,864. 19.61 percent or \$3,772,294 of such revenue is obtained through ad valorem taxes. For the next fiscal year, the proposed budget has a total projected revenue of \$24,683,785. Of that amount, 15.47 percent or \$3,818,953 is proposed to be financed through a total ad valorem tax levy.

The decision to not increase the ad valorem tax millage rate for FYE 2021 above the current year's ad valorem tax millage rate means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property, unless the assessed value of your property has increased for FYE 2021.

Any citizen of the City of Bay St. Louis is invited to attend this public hearing on the proposed budget and tax levies for fiscal year FYE 2021 and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.

Opinion

Is it worth it?

To say that 2020 has been, let’s say, a memorable year would be an understatement.

Last week, after a 40-year hunt, the Golden State Killer Joseph DeAngelo, now 74 years old, was finally brought to justice.

I took that as a bit of good news, especially since it allowed the victims and their families to finally find closure and face the man who caused them so much pain.

It’s funny what the people on my social media find “important.” Barely a mention of the man’s sentencing, which was 11 consecutive life terms without the possibility of parole, with 15 concurrent life sentences and other time for weapons charges.

But people seemed to be more concerned with finding the most inaccurate information to share; a nasty meme about their least favorite politician; whining about when sports will start back up; or just bullying each other in general because someone has a different opinion.

But I digress.

I think it’s an important moment when an elusive killer is finally brought to justice through the use of technological advances, specifically in this case, DNA tracing.

According to prosecutors, DeAngelo’s criminal spree included 87 victims and 53 crime scenes in 11 California counties for 12 years. He is said to have stalked, robbed, and committed brutal acts of violence, rape, and murder.

DeAngelo made a deal with prosecutors to avoid the death penalty and admitted to 13 murders; along with other rapes, burglaries, and other crimes.

Over the years, as I’ve learned more about life and probably watched one too many serial killer documentaries, my opinion on the death penalty has never really been solidified one way or the other.

I don’t believe that it really deters people from committing murder. Or else we would probably be living in a utopia right now. But we’re not.

I’ve recently rewatched one of my favorite dramas, “Oz.” It’s about life inside a maximum security prison. Yes, I know it’s not real life. But, it does make you question things.

One of the storylines was about the imminent execution of a man who was severely mentally disabled and had the mind of a third-grader. It begs the question, is it right to execute someone who doesn’t even know what that implies? Does that make the jury and executioner a better person and more in a position to execute someone just because they didn’t commit a crime like the one being sentenced to death?

I stumbled across this website called deathpenalty.org to learn more about it.

The website lists five common myths about the

Wicker: Postal Service Is Fully Equipped for Election

PARTISAN SCARE TACTICS ARE BASELESS AND HARMFUL

Presidential elections are often the subject of misinformation. Unfortunately, some of the most vocal proponents of the latest conspiracy theory are members and leaders of the United States Congress. This past week, a pair of House Democrats called on the FBI to investigate Postmaster General Louis DeJoy. Their allegation is that Mr. DeJoy is intentionally slowing down mail deliveries and undermining his own organization in an effort to affect mail ballots in the November election.

House Speaker Nancy Pelosi endorsed this unfounded claim by accusing the President of “manipulating the Postal Service to disenfranchise voters.” She has called the House back into session to “save the Postal Service” because “lives, livelihoods, and the life of our American Democracy are under threat from the President.” This theory has no basis in fact. Yet Speaker Pelosi’s words have ignited a media firestorm around the USPS, leading to unnecessary fears about the upcoming election.

LOUIS DEJOY’S SELECTION WAS

From THE Senate
By Sen. Roger Wicker

BIPARTISAN AND UNANIMOUS

Mr. DeJoy was selected and approved unanimously by the Postal Service’s bipartisan board of governors, and he has carried out his duties in a non-partisan manner. In fact, many of his reforms are a continuation of efforts that began during the Obama Administration – long before the current debate over mail-in voting. The picture being painted of him is simply unfair.

Mr. DeJoy has taken criticism for overseeing the removal of old mail-sorting machines. Critics are saying this practice is part of a deliberate attempt to slow down election mail. In reality, the USPS has been offloading excess

equipment for years because of decreased mail volume. It has also been looking to cut costs to reduce its nearly \$107 billion debt.

Images of blue mail collection boxes being locked or removed have also gone viral on social media. However, most of these photos were taken years ago. For years, the Postal Service has regularly replaced or relocated drop boxes based on need. For example, more than 12,000 USPS drop boxes were removed from public spaces during the Obama Administration.

Mr. DeJoy was not the source of these policies. Nonetheless, he has announced that these reforms and service upgrades will be postponed until after the election “to avoid even the appearance of an impact on election mail.”

POSTAL SERVICE HAS \$15 BILLION SURPLUS

Despite its massive debt, the Postal Service faces no immediate obstacles that would prevent it from handling an influx of election mail. The agency has a record \$15 billion on hand, thanks in part to a surge in package mail and a federal relief loan. Mail volume is also down

14 percent this year. In testimony before the Senate Homeland Security Committee on Friday, Mr. DeJoy said he expects ballots to make up less than two percent of mail volume from mid-September to Election Day – hardly a burden for the Postal Service.

The key to ensuring the integrity of voting by mail is for states and voters to adhere to the timetables required for mailing ballots. The Postal Service recently cautioned that a number of states’ ballot deadlines do not line up with the Postal Service’s service standards. This means that if states do not adjust, some ballots could arrive at the ballot box late. Based on experience from some primaries this year, ballots mailed at the last minute may present a challenge for postal workers.

This election will be unusual for many reasons, but there is no reason to create fear.

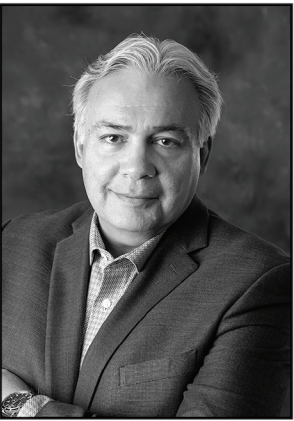

As long as states and voters meet the right deadlines, this election will be fair and reliable. It is wrong for elected leaders to push baseless conspiracy theories that undermine public trust in our elections.

Coastal Mississippi and COVID-19

On behalf of the Coastal Mississippi staff and Board of Commissioners, I extend a heartfelt thanks to our industry partners and visitors for taking extraordinary precautions to keep our region safe during this unprecedented global pandemic.

In spite of the many challenges our area has faced throughout the last six months, the resilient nature of our destination and its people has truly shone. This is evidenced by the continuously low case numbers in our three coastal counties. Regional healthcare authorities have acted as true heroes to ensure the residents and visitors of Coastal

Mississippi stay safe and healthy as we fight an invisible enemy. We appreciate the support provided by several of our healthcare authorities in developing our Coastal Mississippi Promise of

health and safety.

As our partners, residents and visitors continue their commitment to keeping our community healthy by following recommended safety protocols, we are able to look forward to the exciting new developments coming to Coastal Mississippi. The upcoming opening of the Mississippi Aquarium on August 29 will invite our local community and visitors to explore a world-class hallmark attraction.

The impact of COVID-19 on Coastal Mississippi has been indelible, with the tourism economy suffering critically. Tourism is the lifeblood of our region, with

the three coastal counties accounting for one-third of the state’s employees, expenditures, and taxes. Please understand that Coastal Mississippi is here to support our partners in your efforts as we rise up to our challenges together. We thank every single member of our wonderful community for everything they do to make our beautiful Secret Coast so special, and we truly believe that our strong community will emerge from this with an unmatched power to heal and rebuild together.

Hancock County Sheriff’s Office to participate in “DRIVE SOBER OR GET PULLED OVER”

Hancock County Sheriff -Ricky Adam

ECHO STAFF

The Hancock County Sheriff’s Office is participating in the national “Drive Sober or Get Pulled Over” enforcement campaign. Enhanced enforcement will be carried out from now through Sept. 7, according to a press release from Sheriff Ricky Adam’s office. “Due to the increase in impaired driving relat-

ed accidents, injuries and fatalities during the holidays, the Hancock County Sheriff’s Office will be out in full force apprehending impaired drivers and spreading the message that impaired driving will not be tolerated,” Adam said in the release. “High visibility enforcement will be utilized to spread the message to the public. “If you choose to drink, you are putting lives at

risk and that is why we will be participating in this campaign. If you plan to drink, get a designated driver. A DUI charge is expensive and the only way to avoid one is to not drink and drive. Remember: If you feel different, you drive different. “Drive sober, or get pulled over.”

NOTICE OF A PUBLIC HEARING ON THE PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR THE UPCOMING FISCAL YEAR FOR HANCOCK COUNTY, MISSISSIPPI

The Hancock County Board of Supervisors will hold a public hearing on its proposed budget and proposed tax levies for Fiscal Year 2020-2021 on September 8, 2020 at 2:00p.m. at the Board of Supervisors Meeting Room at 854 Highway 90, Bay Saint Louis, Mississippi 39520.

The Hancock County Board of Supervisors is now operating with projected total budget revenue of \$56,484,914.00 with (42%) or \$23,674,500.00 of such revenue obtained through ad valorem taxes. For the next fiscal year, the proposed budget has total projected revenue of \$56,575,586.00. Of that amount, (44%) or \$24,884,735.00, is proposed to be financed through total ad valorem tax levy.

The Hancock County Board of Supervisors has decided not to increase the ad valorem tax millage rate for Fiscal Year 2020-2021 above the current fiscal year's ad valorem tax millage rate. This means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property, unless the assessed value of your property has increased for Fiscal Year 2020-2021.

Any citizen of Hancock County, Mississippi is invited to attend this public hearing on the proposed budget and tax levies for Fiscal Year 2020-2021 and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.

It is the intent of the Hancock County Board of Supervisors to recess this September 8, 2020 public hearing until September 15, 2020 at 5:00p.m. in order to Adopt the Budget and Set the Tax Levies for Fiscal Year 2020-2021.

DEBORAH ANN GINN ALFORD

Deborah Ann Ginn Alford, known as “Debs” to her grandchildren, passed away on August 21, 2020 surrounded by her loving family following a courageous two-time battle with cancer. She was 62 years old.

Debbie was a life-long resident of Bay St. Louis and a member of Our Lady of the Gulf Catholic Church. She was born on April 2, 1958 to James R. Ginn and Jacquelyn J. Ginn at King’s Daughter Hospital on Carroll Avenue. Her mother and father knew she was a special child when at just two years old Debbie told them she could “see Jesus.” Throughout her life, she had a determined spirit to achieve her goals while living for the Lord.

Debbie graduated from Our Lady Academy with honors in 1976 and attended both Pearl River Community College and Mississippi State University prior to marrying Douglas Holt Alford in 1977.

Debbie developed a tremendous work ethic at an early age, taking on her first job at 13 years old. Her work experiences provided her with a foundation that would prove to be invaluable while she furthered her career, first in real estate and then in the insurance industry.

Debbie worked 35 years with Mississippi Farm Bureau Insurance where she became a top producing agent and a

mentor to other agents just beginning their careers. Last year, she was honored by Farm Bureau with the highest recognition: the Lifetime Achievement Award. She was a strong promoter of flood insurance and was among the first on the ground, helping her clients in the aftermath of Hurricane Katrina and so many other disasters.

Debbie’s greatest achievement, however, was being “the fun grandma.” With her children and grandchildren living away, she made it her goal to ensure that there were many family adventures, from annual trips to Disney to perfect holidays in her home. Although Debs left this world way too soon, she gave her grandchildren a lifetime of memories.

Debbie considered one of her most precious gifts from God to be her younger brother, lovingly known as Little James. They had an extraordinary bond and a pure and joyous relationship; each always getting the other to crack a joke or tell a funny story. Her devotion to him was unwavering. Debbie has always been a courageous and convincing advocate for the things she believes in. She stood on her own two feet from the day she was born. She was a self-made, amazing woman who stopped at nothing to make a good life for her family.

Debbie was well-known and loved throughout Hancock County; and she will always be remembered as

a generous kind soul and an inspiration to many.

Debbie is preceded in death by her grandparents Leon and Pauline Ginn and Robert L. and Adelaide Jones; her great-grandmother and caretaker in her younger days Theresa Bourgeois; and her aunts Joycelyn Jones and Jeralyn J. Wilson.

She is survived by her devoted husband of 43 years, Doug, and their two beautiful daughters, Emily Alford Carr (Joseph) of Montpelier, Vermont and Ashley Alford Bruno (Christopher) of Memphis, Tennessee. She is also survived by her parents, James and Jackie, her brother, James, II, and four grandchildren, James Ashley Ellen Carr (10), Scarlett Klebes Carr (7), Campbell Elizabeth Bruno (5), and Beau Christopher Bruno (2).

Her family is planning a private memorial mass for family and friends at Our Lady of the Gulf Church.

In lieu of flowers, donations may be sent to the Catholic Diocese of Biloxi at Morning Star Pregnancy Center or Samaritan’s Purse.

Edmond Fahey Funeral Home in Bay St. Louis is in charge of arrangements.

WHO HAS HAD INFLUENCE *on your life?*

By GARY ANDREWS

As we grow older we should be able to look at our life on earth and establish who has been a tremendous influence on us. Many times when we are asked this question many of us will spout off really quick a pastor or Sunday School teacher that had a large impact on us when we were younger. While most of this is true I firmly believe that we can look into our formative years and find someone close to us that really was impressionable and guided us without us really knowing how much we cared for this individual or not. All of us can tell stories of how someone touched our lives and left us with an everlasting outlook or opinion on this person or on life itself. When my wife and I first married we were fortunate enough to live next door to her parents for several years. My wife was the youngest of three children and her parents were really good influences on each of their marriages. I realize now, even though I have known this for years, just how much her parents meant to me. Her mom especially was a great inspiration to each of us spiritually and emotionally. Her favorite verse in the Bible was John 15:5,

“I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing.” I heard my mother-in-law repeat this verse over and over again and if anyone asked her what her favorite verse in the Bible was, she would say the verse then tell them the scripture reference. Jesus speaks to us through this verse in a way no other can. He stressed our need to give our lives to Him and make Him our permanent dwelling place. The one thing that stands out in looking at a vine and its branches is their oneness. They each have committed themselves to the other. The word “abide” means to continue in, to dwell, to remain, or to stand. Jesus told this parable to His disciples so they would fully understand, and we would understand, that He wants us to be solidly connected to Him so that we can bear His fruit to others. My mother-in-law understood this verse to the fullest. She was a person that devoted her time for the Lord. She had the qualities of Christ through her loving nature for others, her patience and gentleness. She was a hum-

ble person yet strong in her faith. Her kindness, peacefulness, and forgiving attitude all came from her strength in the Lord which she developed through her study of the Bible, her quiet time with the Lord, and through prayer. She would pray for Jesus to give her understanding but she would do more than most of us would when she prayed, she would listen for Him to speak to her. She was a godly woman, a good wife, and a great leader and mother to her children. My wife and I both miss her more than we can ever express, however the legacy that she instilled into her children through her actions, words, and love for Christ will live on forever. The more I study John chapter 15, the more I realize how we are to be like Christ. We are to give ourselves to Christ and be like Him in every way. Just as He depended upon the Heavenly Father every day for wisdom and strength to do His will, we are to do the same. My mother-in-law knew this and was a tremendous, shining example to everyone around her.

death penalty.

The first is that the death penalty costs less than life in prison. However, it doesn’t.

“Most of the costs result from the unique status of the death penalty within the U.S. Justice system,” the website states. “Because it’s the only truly irreversible form of punishment, the Constitution requires a long and complex judicial process for capital cases, including several levels of mandatory review after a death sentence is issued. The appeals process takes decades to complete.”

Myth number two is that the death penalty makes people safer.

According to the website, there’s no evidence that the “death penalty deters murder any more than the threat of other harsh punishments such as life in prison.”

The Death Penalty Information Center website, using data from the FBI’s Uniform Crime reports, found that states with the death penalty have a higher murder rate than non-death penalty states.

The third myth is that the death penalty is the “only way to provide closure to victims’ families.”

Since the appeals process in death penalty cases is so long, there is no certainty that the penalty will ever be carried out.

“For these reasons, many survivors of murder victims feel that the death penalty system only prolongs their pain and does not provide the resolution they seek,” the website states. “By contrast, a sentence of life in prison is swift and certain, allowing families

to move on knowing that justice is being served.”

The website further states that “the huge costs of the death penalty waste money that could be used to help families put their lives back together through counseling, restitution, crime victim hotlines, and other services addressing their needs.”

The fourth myth is that death is the only way to ensure a convicted murderer is never released from prison.

However, a sentence of life in prison without parole is a sentence of death in prison.

“The only ways that someone convicted of murder and sentenced to life without parole can be released from prison, are the same as for people sentenced to death; a pardon or commutation from the governor, or by having a court overturn their conviction,” the website states. “If a prisoner is able to prove in a court of law that they were wrongfully convicted — that they are in fact innocent — then the conviction should be overturned and the prisoner set free. The only difference in this respect between a death sentence and a life sentence is that with a life sentence there is no risk of a prisoner being found innocent after they have been executed.”

The final myth mentioned is that an innocent person has never been executed.

The website states that since the 1970s, 161 people have been exonerated from death rows around the country.

The website also said that it is hard to prove wrongful executions.

However, there have been two cases with evidence of innocence; Cameron Todd Willingham and Carlos DeLuna. Cameron was exe-

cuted for setting fire to his home and killing his three children, but “eight different arson experts now say that the forensic testimony used to convict him was based on junk science that has now been debunked. There is no evidence that the fire was set intentionally. So not only is there no evidence that Willingham committed the murder for which he was executed; there is convincing evidence that there was no murder in the first place.”

In a 2012 report titled “The Wrong Carlos,” it is stated that DeLuna was executed for a crime that was “likely committed by a look-alike called Carlos Hernandez. Justice John Paul Stevens, the former U.S. Supreme Court Justice, said that Carlos DeLuna’s story, ‘demonstrated, I think, beyond a shadow of a doubt, that there is a Texas case in which they executed the wrong defendant, and that the person they executed did not in fact commit the crime for which he was punished. And I think it’s a sufficient argument against the death penalty...that society should not take the risk that that might happen again, because it’s intolerable to think that our government, for really not very powerful reasons, runs the risk of executing innocent people.’”

Sunday night, I watched Dennis Rader’s, the BTK Killer, account of his brutal murders. He was so calm and described the horrific crimes in the same way we might describe fond childhood memories.

He will be spending the rest of his life in prison and I think that is a good thing.

Executing him won’t bring back the victims, nor will it erase the pain and suffering he caused

so many families.

But knowing that justice was finally served should bring some sort of peace, I hope.

I still don’t have a solid opinion about the death penalty and whether I think 12 people are really qualified enough to impose such a sentence on someone.

VOLLEYBALL IS BACK IN ACTION AFTER DELAYED START

BY JOSEPH W. GEX, II
STAFF WRITER

The institution of athletics seemed to go by the wayside on March 13, 2020, as fall-out from Covid-19. As time crept by since that fateful Friday the 13th, we all wondered if sports would reclaim its rightful place in society of both young and old. Volleyball was no exception to those thoughts, either. But, there is light at the end of the tunnel.

Despite the school closures on Monday due to Hurricane Marco, volleyball is served in quantity this week as the first high school sport back in season in Mississippi.

Over the past two decades, the sport has made Hancock County a focal point. All three high schools - Bay High, Hancock, and Our Lady Academy - have all won state titles in that time span.

However, with each season comes change. And, this year perhaps the biggest change of all has happened. Mike Meyers, the formidable coach of OLA for the past 20 years who has made the sport his own, hung up his whistle in February. That singular motion ended perhaps the most dominant era in Mississippi high school sports history.

So, now we look forward to the start of a sport that Hancock County has owned for two decades.

BAY HIGH

The Bay High Lady Tigers made the most of a 2019 season that saw them feature one of their more experienced teams in recent years. And, it all paid off for the Lady Tigers. Bay High entered the playoffs as the #2-seed behind two-time defending state champion Vancleave and surged all the way to the Final Four where they eventually fell to New Albany High School.

Bay High head coach Kellie Gunn commented, "We are excited to get started with the season even though it has been delayed somewhat. We usually have some games set up early to help us get prepared for the start of division but everyone is in the same boat right now. The girls have been working very hard despite being away from the practice floor for quite some time and missing out on team camps over the summer."

Last year the Lady Tigers had one senior in Blakeleigh Lumpkin whom they lost to graduation. This year they feature four seniors including Lizzie Weems, Olivia Signaigo, Dominique Cole, and Jadyn Sheppard to help lead the charge for a hopeful deep run in the state playoffs.

Gunn added, "We return a seasoned team with four seniors along with some underclassmen who saw extensive playing time last year including NeNe Bosa-

rge and McKenzie Favre among others. We are more mature than we have been in the past. Their maturity is really making a difference."

The Lady Tigers ended last year with a 13-13 mark and a loss in the Final Four. Their focus is to take it one game further and get a shot at a state title.

Gunn ended, "People sometimes underestimate the importance of sports in a young person's development. The traits of teamwork, dependability, and the socialization these student athletes receive is immeasurable. All this helps to deal with pressure. We are glad to be back on the court and functioning in some sense of the word normal. We are excited to get started."

The Lady Tigers last won a state title in 2004 but have made the Final Four twice under Gunn.

HANCOCK HIGH SCHOOL

The Hancock Lady Hawks begin their second season under the tutelage of Lysie Byrd Gayden. Last year the Lady Hawks advanced to the second round of the Class IV state playoffs before falling to Brandon High School.

The Lady Hawks graduated four seniors in Maesyn Cuevas, Emma Dau, Isabella Scardino, and Jena Stallings. This year they feature five seniors including Reagan Huff, Kacey Lear, Ashley Corey, Jacey Garriga, and Alex Fausett.

Hancock head coach Lysie Gayden stated, "I am very excited about this season coming up. Our seniors have all had a huge impact on this program and will continue to help us be successful this season. Our underclassman have shown a lot of improvement since last year and they will play key roles

in our team's success this season."

The off season for the Lady Hawks has been the same one that all squads faced this year. It was one of uncertainty. The Lady Hawks hit the court with eagerness the same time everyone else did trying to knock off the rust of a few months.

The Lady Hawks won the Class III state title in 2010 and 2016. This year the state is moving to a six-class tournament similar to all other sports due to the rise in popularity of the sport.

Gayden added, "We have worked hard all summer and have come together as a team despite the challenges that we will face this season. I know we will have another great year and I can't wait to get the games started!"

In 2019, the Lady Hawks put together a mark of 21-15 in Gayden's inaugural season. Beginning a second year of her system, the players have a solid grasp of her philosophy and approach and are ready to take the next step.

OUR LADY ACADEMY

The OLA Crescents have become the standard bearer of the sport in Mississippi over the last 20 seasons. During that time span, the Crescents have won 20 consecutive division titles, played in 17 state finals and won 14 state championships including the last eight in a row.

All of that was accomplished under Mike Meyers whose crescent set on OLA Volleyball in February when he retired.

Most programs would be lost after such a move; however, the Crescents took a page out of the Meyers' playbook and simply looked to 'Next Up'.

The person to lead the

Crescents into the new era is Emily Meyers Corley, Mike's oldest daughter and the school's Athletic Director. She played for her father and has been an assistant to him for the last six seasons gaining invaluable insight to his coaching strategy.

The Crescents lost three starters to graduation including Alma Hearin, Kate Montjoy, and Rebecca Walk. But, they return six seniors in Camille Cottone, Chloe Cornell, Kate Funk, Faith Anderson, Grace Koons, and Sarah Hollingsworth along with a junior Ashley Bulot from a team that went 37-5 including and eighth consecutive Class I state title.

Hearin, Montjoy, and Walk all never lost the last game of any year. Walk went on to become an All-American as she led the nation in kills and hitting percentage and signed with the University of South Alabama.

Corley commented, "With the loss of Becca, offensively, and Alma and Kate, defensively, we have big spots to fill. Obviously, this has been a very crazy time trying to get ready for the season. We have not had nearly the amount of time that we normally do to prepare new people in new spots. However, our girls have worked very hard in the amount of time we have had. We are very excited about our potential in the upcoming season."

The one mesmerizing thing about OLA volleyball over the last 20 seasons has been their uncompromising desire to succeed in the midst of adverse conditions. With the pandemic surrounding the nation, this is about as adverse as it can get.

Corley added, "We are in a brand new district with four teams that

we do not know anything about. So, we will be in uncharted waters when district play starts. I fully expect that our girls will step up to the challenges and respond in a way that will follow our very strong winning tradition. I am excited to be a part of this season!"

While many see uncertainty and unknown with OLA volleyball, there are others that see continuity under Corley. She grew up in the man Mike's household, was

coached by the myth himself, and learned under the legend simply called Coach Mike. OLA has defied the odds on the volleyball court and 21 years ago when Mike Meyers coached his first game not many in the sport knew what product he would put on the court. Now, there is a Meyers coaching her first game this week. Never underestimate continuity and consistency.

MEET RUDY.
This sweet boy is always smiling. We feel that this 6 to 9 month old pup is likely a Miniature Pinscher mix, but he has a shiny red coat and curly tail, so we are not sure what else is in the mix. We do know that he sure is cute! His favorite

pastime here at the shelter is going for walks with one of our dog walking volunteers. One of the things she noticed about Rudy is that he potties immediately upon going outdoors, so we are thinking this little chap is house trained. She also noticed that he is pretty ambivalent towards other dogs, and generally minds his own business. Rudy much prefers the companionship of people; however, he could join a family with other friendly dogs, and he may even engage in play. A single person or couple of any age would be a perfect match for smiling Rudy, as long as daily walks are on the agenda. He has yet to meet any kiddos while at the shelter, so please bring your children and family dog(s) to meet Rudy. If you are interested in this pup joining your family, please call the shelter at 228 466 4516 to arrange a meeting. Visit our Facebook page, Hancock County Animal Shelter, MS, to see more pictures of Rudy and of the many other wonderful, adoptable animals looking for their forever homes.
